

# Certificate of Completion

We hereby confirm that

**Faizan Zafar**

has successfully completed the

**Data Engineer  
Training Track**

After successfully completing this Training Track, the recipient has acquired the following skills:

- Connect to arbitrary source systems, extract data and transform it
- Build a data pipeline and a Celonis data model
- Understand how to build basic analyses in Celonis to validate data

Date of Completion: 2021-04-05

A handwritten signature in black ink, reading "D. Jeggle". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

**David Jeggle**  
Head of Celonis Academy
